1 **AN ACT** *gen cat*; relating to: exam and other requirements for instructors in  
2 cosmetology, barbering, aesthetics, manicuring, and electrology; continuing  
3 education requirements for cosmetologists; registration of hair braiders; and  
4 requiring the exercise of rule-making authority.

***Analysis by the Legislative Reference Bureau***

This bill makes several changes to the laws governing barbering and cosmetology, including the following:

1. The bill creates a registration program for hair braiders. Under current law, a person who performs hair braiding for compensation must generally be licensed as a barber or as a cosmetologist. Under the bill, a person who performs only hair braiding may register as a hair braider with the Department of Safety and Professional Services (DSPS) and, if so registered, is not required to hold a license as a barber or cosmetologist. The bill requires DSPS to promulgate rules to implement the hair braider registration program, including rules that define hair braiding and that establish the minimum standards and qualifications that must be satisfied before a person may register as a hair braider with DSPS.

2. Current law authorizes the Cosmetology Examining Board (board) to require, by rule, that licensed cosmetologists complete continuing education hours if necessary to preserve the public health, safety, or welfare. The bill provides that any such rule may not require a licensed cosmetologist to complete more than four training hours of instruction in cosmetology every two years for eight years. Under the bill, the board's rules may not require a licensed cosmetologist to complete any

continuing education requirements after the licensed cosmetologist has practiced cosmetology for eight years. However, under current law, the board may require continuing education at any time as a part of the disciplinary process for a particular licensed cosmetologist. The bill does not alter that existing power of the board.

3. Under current law, DSPS certifies instructors in barbering, cosmetology, aesthetics, electrology, and manicuring. An applicant for certification as an instructor in barbering or cosmetology must, among other things, complete 2,000 hours of practice as a licensed barber or cosmetologist or hold a barbering manager or cosmetology manager license; complete 150 hours of instructor training approved by DSPS; and pass an examination administered by DSPS to determine fitness to act as an instructor in barbering or cosmetology. Under the bill, DSPS must certify an applicant for certification as an instructor in barbering or cosmetology if the applicant either completes 4,000 hours as a licensed barber or cosmetologist or completes 2,000 hours of practice as a licensed barber or cosmetologist in combination with 150 hours of instructor training approved by the department. The bill eliminates any examination requirement for obtaining certification as an instructor in barbering, cosmetology, aesthetics, electrology, or manicuring.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

1 AN ACT *to repeal* 440.63 (3) (a) 3., 440.63 (3) (a) 4., 440.63 (3) (am) 3., 440.63 (3)  
2 (am) 4., 440.63 (3) (b) 3., 440.63 (3) (c) 3. and 440.63 (3) (d) 3.; *to renumber and*  
3 *amend* 454.12 (2); *to amend* 440.63 (3) (a) 2. and 440.63 (3) (am) 2.; and *to*  
4 *create* 454.12 (2) (a) and 454.12 (2) (b) of the statutes; **relating to:** exam and  
5 other requirements for instructors in cosmetology, barbering, aesthetics,  
6 manicuring, and electrology and continuing education requirements for  
7 cosmetologists.

### *Analysis by the Legislative Reference Bureau*

Current law authorizes the Cosmetology Examining Board (board) to require, by rule, that licensed cosmetologists complete continuing education hours if necessary to preserve the public health, safety, or welfare. This bill provides that any such rule may not require a licensed cosmetologist to complete more than four training hours of instruction in cosmetology every two years for eight years. Under the bill, the board's rules may not require a licensed cosmetologist to complete any continuing education requirements after the licensed cosmetologist has practiced cosmetology for eight years. However, under current law, the board may require continuing education at any time as a part of the disciplinary process for a particular licensed cosmetologist. The bill does not alter that existing power of the board.

Also under current law, DSPS certifies instructors in barbering, cosmetology, aesthetics, electrology, and manicuring. An applicant for certification as an

instructor in barbering or cosmetology must, among other things, complete 2,000 hours of practice as a licensed barber or cosmetologist or hold a barbering manager or cosmetology manager license; complete 150 hours of instructor training approved by DSPS; and pass an examination administered by DSPS to determine fitness to act as an instructor in barbering or cosmetology. Under the bill, DSPS must certify an applicant for certification as an instructor in barbering or cosmetology if the applicant either completes 4,000 hours as a licensed barber or cosmetologist or completes 2,000 hours of practice as a licensed barber or cosmetologist in combination with 150 hours of training approved by the department. The bill eliminates any examination requirement for obtaining certification as an instructor in barbering, cosmetology, aesthetics, electrology, or manicuring.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

440.63 (3) (a) 2. Completes 4,000 hours of practice as a licensed barber or licensed cosmetologist or completes 2,000 hours of practice as a licensed barber or holds a current barbering manager license issued by the department licensed cosmetologist and 150 training hours approved by the department.
